

REQUISITE DOCUMENTS FOR A PBS T4 CHILD STUDENT VISA

For further information please see www.ukvisa.gov.uk

Bold Items are essential. Please note that, all student visa applications intending to attend a course of study in the United Kingdom must be sponsored by a registered educational establishment that appears on the sponsor register and holds a licence number. They should ensure that the establishment at which they propose to study is included on the Department for Innovation, Universities and Skills register. The register is available at the web address www.dcsf.gov.uk/providersregister for students who wish to check if the institution of their choice is included. After accessing this page, applicants should then click "search register" and enter the details of the college they intend to attend. Any application from a student wishing to attend an establishment that does not appear on the Register will be refused. It is paramount that ECO's understand the reasons for your application as well as your personal circumstances.
